

December 8th Varsity Duals

Here is the lineup (as of now, challenges pending) for wrestlers that we need to attend the 12/8 tournament and be at or below the weight listed.

Weigh In is at 7am at Glacier View Junior High. This is a team weigh in so EVERYONE must be there at 7AM

Just an FYI...your wrestler MAY wrestle in a different weight class for different matches. Our goal, as a coaching staff, is to field the most competitive team for each dual match. Coaches will make the final decision for each match on what wrestler we send out in each match.

You will notice that some weight classes have two wrestlers assigned. This is so that the coaches have the most opportunity to juggle the lineup as needed

If your wrestler is not named on this list, they are assigned to wrestle on 12/15 at Sumner

As we are hosting this tournament, we need ALL parents to volunteer to help regardless of them wrestling or not.
